Putting down strong roots for success

Learning Cog focus—Independence!

The children that were chosen by their teacher this week to receive the award in our assembly:

Well done to our winners this week in Rainbow, Blue, Indigo and Violet Bases!

Stay tuned to see who the winners will be next week in Rainbow, Orange, Yellow and Green Bases!

Curriculum Enrichment!

As part of our engaging and exciting curriculum offer at Bankside Primary School, we focus on offering a wealth of opportunities for children to learn and have memorable experiences beyond the classroom. The first week of a new term has been full of excitement as we had a special visit from Zoo Lab to learn about animals and their habitats!

Reading at Home!

Please ensure that your child has daily opportunities to read their reading book at home. This will ensure they practice their reading fluency and comprehension skills.

Curriculum Enrichment!

On Friday 27th October 2023, Indigo Base went on an Educational Visit to The Royal Armouries. The visit was part of the children's learning in their topic, The Vikings. As part of this memorable learning the children took part in special workshops lead by the museum curators and had the opportunity to re-enact a Viking invasion. What a great way to review and recap the children's learning in this topic!
