# Latest Learning!

## Learning in Blue Base

In maths today we focused on using our Resilience cog to make sure we were secure with 1 digit = 1 square in column addition and then making part-whole models and bar models.

In Rainbow Bigs this week we have been using our resilience cog in our maths learning. We have looked at ordering and matching numbers and quantities.

## Reading at home!

Please ensure that your child is reading regularly at home. Regular reading at home allows your child to build on what they have learnt at school and encourages their enjoyment of books.

## Parent Governor Vacancy

We currently have a vacancy for a Parent Governor to join our School Governing Body. If you are interested then please follow the link to the information on our school website:
