## Bankside Primary School Weekly Newsletter

# Bankside Primary School and Children's Centre

Putting down strong roots for success

### Learning Cog focus— Independence!

The children that were chosen by their teacher this week to receive the award in our assembly:

Next week our learning cog will be independence! Stay tuned to see who will be the winners in Orange, Yellow and Green Bases!

# School Sport Updates

Some of our pupils in Year 5 and 6 were chosen to represent Bankside at an England Rugby training showcase event recently. As part of this experience, we watched the team train! We even bumped into friend of the school Jason Robinson!

This week some of our pupils represented the school in a Tag Rugby competition! It was a tense day as we had to win a play-off match to go through to the next stage of the competition... and WE DID! A huge congratulations to Ms Morgan and the children who used their resilience cog and a huge amount of team spirit and talent to achieve this! Bankside will now be in the Leeds tag rugby finals! We wish them all the best as they represent our school thanks to their incredible achievement!

# Latest Learning!

It has been another action packed week at Bankside Primary School! Children have been thoroughly enjoying their after school club activities, including sewing club and gardening club. In gardening club, the children took advantage of the brighter afternoons and spring weather to update our school outdoor environment with some spring time planting outside the Nursery area. It has brought some lovely bright colour to our learning spaces!

## Dates for your diary!

- Last day of Spring Term -Thursday 28th March 2024
- School Closed Friday 29th March 2024—Friday 12th April 2024—Easter Holiday
- School re-opens for Summer Term Monday 15th April 2024

# Family Engagement

This week in our Children's Centre, families that attended our provision made Ramadhan and Easter cards in our Wednesday community group session. The results are very creative indeed!

## Reading at Home - Book Change Day Reminders!

*Please ensure your child brings their reading book and library book back to school on the days below so they can be issued with new ones!*

# Measles is circulating

- measles is extremely infectious and can be serious
- Make sure your children get two MMR vaccines on time; the first at 1 year of age and the second at 3 years, 4 months
- If you or your children missed these vaccines, it's not too late. Ask for the free vaccine from your family doctor (GP) if you or your children aren't up-to-date
- if you have symptoms of measles, stay at home and phone your GP or NHS 111 for advice. **STAY AWAY** from GP surgeries and A&E departments – you could spread the illness to others
- symptoms include: high fever; sore red, watery eyes; coughing; aching and feeling generally unwell; a blotchy red brown rash, which usually appears after the first symptoms
- go to **nhs.uk** for more measles information

## Symptoms

Rash

Temperature

Runny Nose

Red Eyes

Cough
