Bankside Primary School Weekly Newsletter

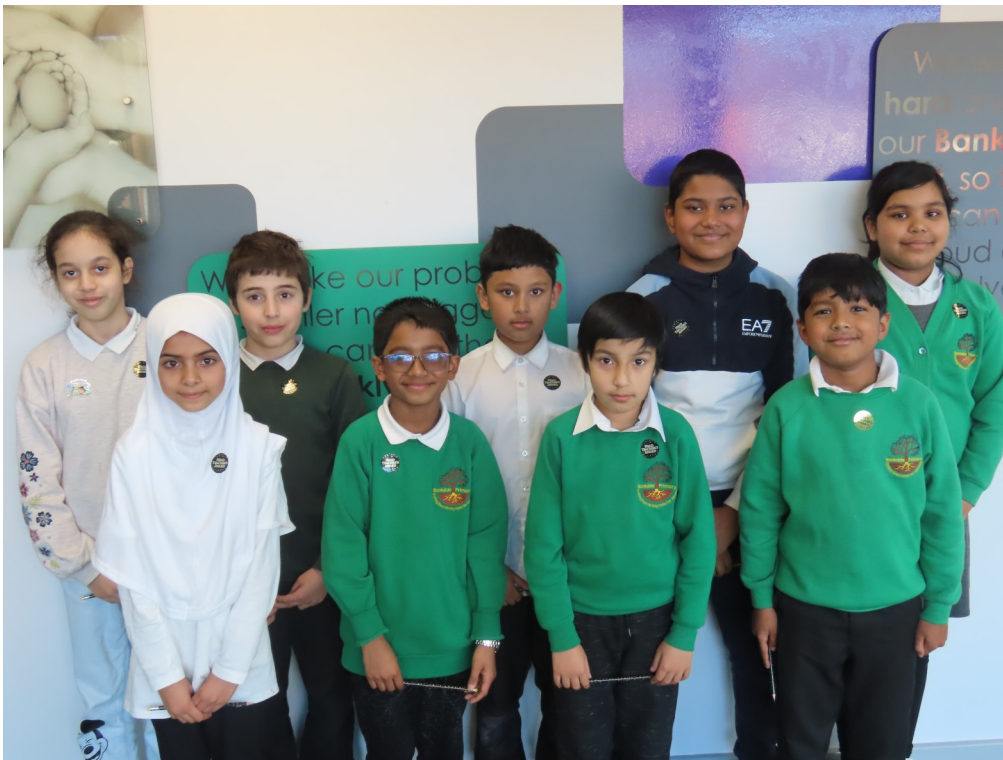

Bankside Primary School and Children's Centre

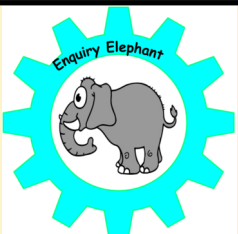

Putting down strong roots for success

Learning Cog focus—Enquiry!

The children that were chosen by their teacher this week to receive the award in our assembly:

Well done to our winners this week in Rainbow, Blue, Indigo and Violet Bases!

Stay tuned to see who the winners will be next week in Rainbow, Orange, Yellow and Green Bases!

Latest Learning!

This week children in our Rainbow provision went on their weekly session to Forest School. They did a wealth of activities in the session including exploring the forest, climbing and splashing through a stream! The children were very brave when taking on challenges and managing risks!

In Yellow Base our families were invited into our class to take part in our DT project on sewing. It was brilliant for our mums/dads/carers to share their skills and to help us practise using a needle to stitch our fabric. Look at the work we produced!

Family Friday!

In Red Base our families came into our classes on Friday morning to make chapattis together. We love having our families in our classroom so we can share our learning journey with them! Red Base families please join us on Fridays at 8.45am to spend quality time with your child and find out more about their learning.

Reading at Home!

Please ensure that your child has daily opportunities to read their reading book at home. This will ensure they practice their reading fluency and comprehension skills.

Family Friday!

In Orange Base this week we had a fabulous Family Friday with our mums/dads/carers! We are currently reading the book *Lost and Found* by Oliver Jeffers. It is based on a boy and a penguin and the special bond they have together. Our activities in family Friday were all centred on exploring the elements of the book we have been learning about in class. We really enjoy our families coming into school and sharing our learning with them! Thank you to everyone that attended this week it was a very exciting session!

Orange Base families—don't forget to join us every Friday at 8.45am for the opportunity to spend quality time with your child whilst finding out about their learning at school.
