Curriculum Enrichment!

This week children have been enjoying the warmer weather at Forest school. In after school Arts and Crafts club, children have been creating portraits of their friends. We also had a visit from the Story Bus!

School Updates

We would like to wish all of our Year 6 pupils well as they take their SATs tests next week! They have been working really hard to revise key concepts and topics which they have learnt throughout their school journey in Key Stage Two.

It is important for children to try their best with these tests whilst remembering that they will not define their future successes. We are proud of the mature attitude to learning that Year 6 are showing and know that this positive mind-set will be extremely helpful as they transition into Secondary School.

We will be providing all Year 6 pupils and the Violet Base staff team with a special end of SATs celebratory lunch next week. Details will be sent to parents/carers in Violet Base at the start of the week.

National School Sports Week 17th June—21st June 2024!

- * In school we will be celebrating National School Sports week by having an action packed week full of exciting learning based around the UEFA Euro 2024 tournament.
- * We are really looking forward to a school football takeover week with a specialist coaching company! This aims to inspire our pupils to stay active and enjoy sport and physical activity with their friends and classmates in a fun and safe environment!

Reading at Home - Book Change Day Reminders!

Please ensure your child brings their reading book and library book back to school on the days below so they can be issued with new ones!
