Putting down strong roots for success

Learning Cog focus—Initiative!

The children that were chosen by their teacher this week to receive the award in our assembly:

Well done to our winners this week in Key Stage One!

Next week our learning cog will be initiative,
stay tuned to see who the winners will be in Key Stage Two!

Latest Learning!

This week we have had exciting educational visits to Skipton Castle for Yellow Base pupils! This is part of their learning in the topic Castles. The children were extremely well behaved and enjoyed expanding their knowledge around their learning.

Blue Base have been busy this week focusing on their learning in maths around multiplying and dividing by 10 and 100!

Maths Workshops!

We are running a series of workshops for parents/carers to share with you the exciting ways that we teach maths at Bankside. We have focused a lot over the past year on enhancing our teaching of maths ensuring that it helps children secure an understanding of number and challenges them to make good progress from their starting points. These workshops will be delivered by our Assistant Headteacher for each Key Stage.

We aim for these workshops to be practical, engaging and most importantly fun!

We hope that you will be able to join us!
