# Latest Learning!

Welcome back to school! We hope our families had an enjoyable half-term break. We have an action packed final term ahead and look forward to sharing memorable learning and enrichment opportunities with our school community.

This week our Year 5 pupils have been enjoying their history topic on ancient civilisations, finding out about medical treatment before modern times. Year 2 came back from the holidays to find that their class toys had taken over the classroom! They will be writing exciting stories based on these adventures. Reception have been busy learning all about mini-beasts and are now looking forward to starting a new topic about dinosaurs!

# Tropical World Visit!

This week our Nursery children visited Tropical World at Canal Gardens. This was a really exciting educational visit as our parents and carers also came with us! It was a special time as we enjoyed looking at all the different tropical animals whilst spending quality time with our families and classmates.
