Bankside Primary School Weekly Newsletter

Bankside Primary School and Children's Centre

Putting down strong roots for success

Learning Cog focus - Collaboration!

The children that were chosen by their teacher this week to receive the award in our assembly:

Next week our learning cog focus will be empathy - stay tuned to see who the winners are in Key Stage One

Global Learning Awards!

Ms James took a selection of our Key Stage Two pupils to the Leeds Global Learning Awards recently. This prestigious awards ceremony was held at Leeds Civic Hall. The children who were chosen as ambassadors for our school demonstrated what Bankside Best really means. They were respectful, engaged, enthusiastic and articulate. They contributed to the ceremony and enjoyed discussing and debating as part of the experience. We are thrilled to announce that we won two commendations as part of the event! Well done Team Bankside!

Year 6 Enterprise Week!

For the last few weeks, Year 6 have been very busy preparing for Enterprise Week. They worked in groups with a budget of £10 each to come up with a product/activity to sell to other children in the school in an attempt to make a profit. Well, their hard work has really paid off!

They managed their budget to buy materials and prizes, designed posters to advertise their stall and worked out the prices they would need to charge to maximise profit whilst being affordable. We were blown away by their independence, initiative and creativity - what an impressive group of young people we teach. Now, we just need to calculate how much money we have made and put it towards funding our end of year prom!

Red Base Family Friday!

Red Base families joined us for a Family Friday focusing on the “Just one More” campaign. This important message is about adding one more fruit or vegetable to a families daily routine to encourage a balanced diet.

Thank you to the staff from our Children’s Centre who jointly ran the event with our family support team.

Bankside Summer of Sport!

We have teamed up with PE Partners, a specialist company that delivers high quality PE and Sports Provision to schools, to organise an action packed term filled with sports and physical activity enrichment, linking to the global sports calendar! We also have some family sessions, where parents and carers are invited to come into sessions and take part with their children. Additionally, we are hosting after school family sports festivals, where families can come and join in with exciting activities and spend quality time together whilst also getting active!

Dates for your diary:

- **Tuesday 1st July 3.30pm-4.15pm After School This Girl Can Family Sports Festival linked to Women’s Euros and promoting sports opportunities for women and girls in the local area**
