Bankside Primary School Weekly Newsletter

Bankside Primary School and Children's Centre

Putting down strong roots for success

Learning Cog focus - Empathy!

The children that were chosen by their teacher this week to receive the award in our assembly:

The Bankside End of Year Pupil Award Ceremonies will be taking place on Thursday 17th July! Stay tuned to see who will be the winners of our first ever Bankside End of Year Pupil Awards!

Community Day 28.06.25!

On Saturday 28th June we were delighted to host our Bankside Community Day. This day was designed to bring the school community together and raise important funds for our school and Children's Centre. Thank you to everyone who was a part of this special event!

Year 6 Careers Day!

It was our Year 6 Careers Fair this week and we were very lucky to be visited by lots of brilliant speakers from a wide range of job sectors to inspire our children. This was a brilliant chance for our children to learn more about the opportunities and career paths available to them; there was practical advice on which subjects to study and how to begin on these different careers, as well as discussions about the qualities and considerations needed to embark on these paths. We are really grateful to our visiting police officers, chemical engineer, teacher of the blind, nurse, journalist, head of HR and soldier for being so engaging and sharing their time and expertise with us. They all commented on how respectful, welcoming and mature our children were, as well as the high quality of their thoughtful questioning. We're very proud of our young people and know that they have bright futures ahead of them.

PE Enrichment!

Recently, some of our Year 5 pupils took part in Junior Warriors - an extreme sporting challenge event held at Temple Newsam! They demonstrated our learning cog of resilience brilliantly and were fantastic ambassadors for Bankside.

On Thursday 3rd July, some of our Year 2 pupils attended a skipping festival at Armley Leisure Centre. Five children achieved an individual award in their event - this is an incredible achievement! The children were exemplary models of Bankside Best at the event!
