Putting down strong roots for success

Headteacher's Award Winners - Our Learning Cog of Pride

Well done to the children in Key Stage Two this week who were chosen by their teacher to receive the award in our headteacher's assembly!

Next week our learning cog will be collaboration. Stay tuned to see who the winners are in Key Stage One!

Putting down strong roots for success

We Love Reading!

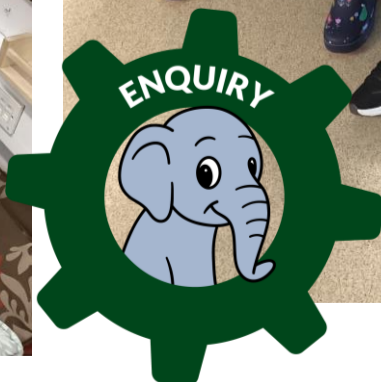

At Bankside Primary School, reading is at the heart of everything we do! Reading is an essential skill for life long learning and happiness and one that we prioritise in our school curriculum. We are proud of our world class reading resources. Our book selection is carefully chosen by an expert children's librarian and constantly replenished to ensure we have the latest high quality texts available.

You can help your child to practise their reading skills by reading their reading book with them at home and enjoying a story at bedtime!

Early Reading!

Our youngest learners are enjoying the beginning stages of their reading journey. They are learning how to handle books carefully, join in with repetition and listen and enjoy a story with their classmates!

Anti-Racism Ambassadors!

Last academic year you may recall the start of our partnership with the organization Show Racism The Red Card. We are excited to continue our work with this important charity and set up our school Anti-Racism Ambassadors. These pupils are receiving specialist training and knowledge to help champion our anti-racist approach in school.
