Putting down strong roots for success

Headteacher's Award Winners –
Our Learning Cog of Resilience!

Well done to the children this week in Key Stage One who were chosen by their teacher to receive the award in our headteacher's assembly!

Latest Learning!

This week we have been wrapping up warm due to the icy weather! Children in Yellow Base enjoyed a visit from Zoo Lab where they handled a variety of animals and learnt about their habitats. Green Base have been investigating forces using magnets and Indigo Base have been enjoying learning the skills and techniques of Paralympic sports.

Yellow Base Family Engagement!

This week we invited our Yellow Base parents and carers into our classes to take part in a sewing lesson as part of the children's learning in Design and Technology. Lots of our families attended and they enjoyed learning alongside their children!

Children In Need at Bankside 14.11.25 - Challenge Yourself to 25!

We raised £199! Thank you to for
your donations.
