Headteacher's Award Winners –  
Our Learning Cog of Initiative!

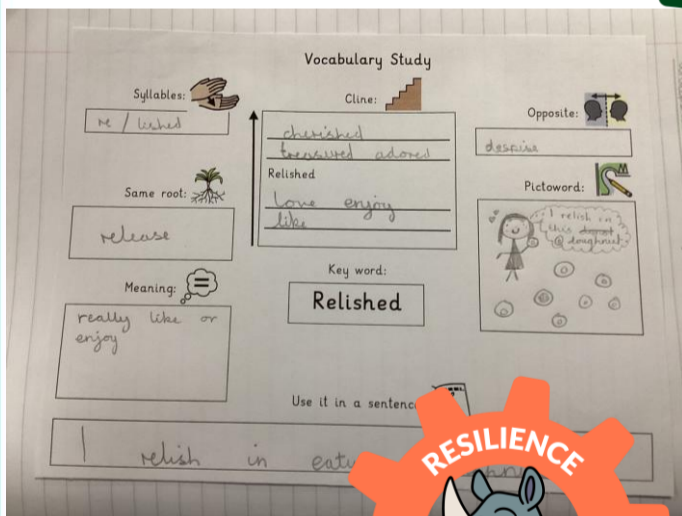

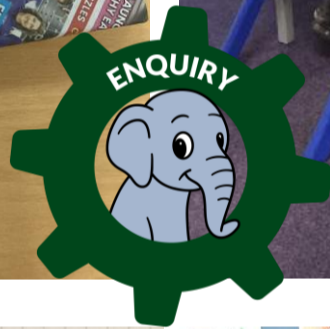

Well done to the children this week in Key Stage Two who were chosen by their teacher to receive the award in our headteacher's assembly!

# Latest Learning!

The end of the Autumn Term is approaching fast! We have been using our reflection learning cog to think about the progress that we have made with our learning since September and our pride learning cog to celebrate all we have achieved so far. This week our memorable moments include baking gingerbread people linked to the class story in Red Base, sensory science exploration in Green and Blue Base and maths challenge work!

Year 6 have been enjoying reading and have started making "lucky dip" reading parcels to tempt children to make a book choice based on a few clues only! We also share some pictures of an educational visit that Green Base had to Leeds Recycling Centre as part of their learning about waste and recycling.

# Christmas Lunch and Jumper Day!
