Headteacher's Award Winners –  
Our Learning Cog of Reflection!

Well done to the children this week in Key Stage One who were chosen by their teacher to receive the award in our headteacher's assembly!

# Welcome Back to School!

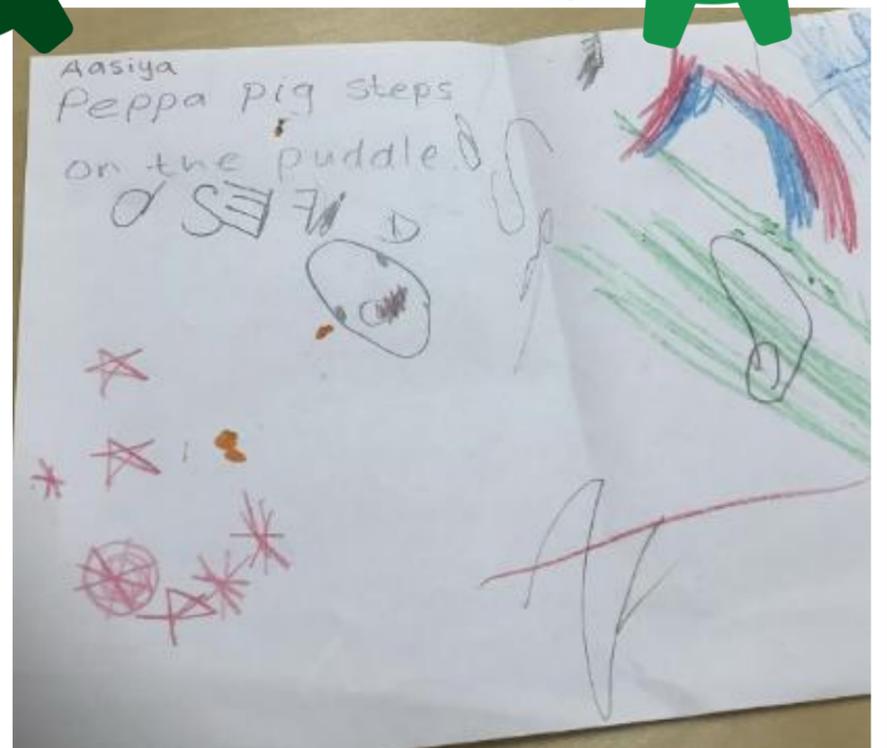

This week we have enjoyed welcoming our pupils back to school. They have returned with a positive attitude and have been back into their routines for learning without delay! We share with you some memorable moments from our learning journey this week at school. We have been starting our new topics in PSHE and have enjoyed exploring characters from our new text in our literacy sessions.

# EYFS Latest Learning!

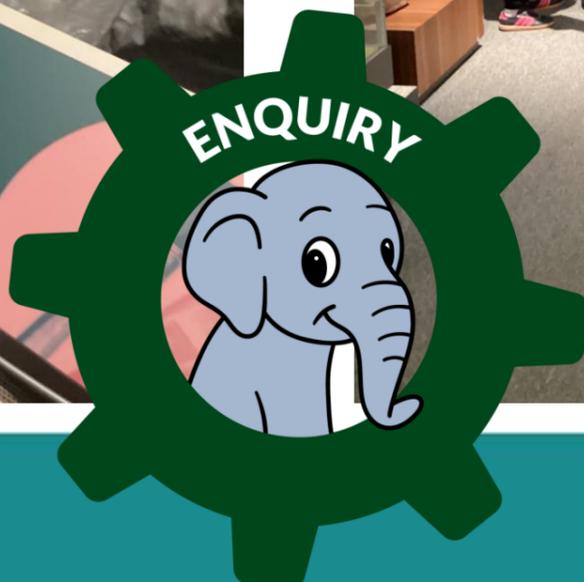

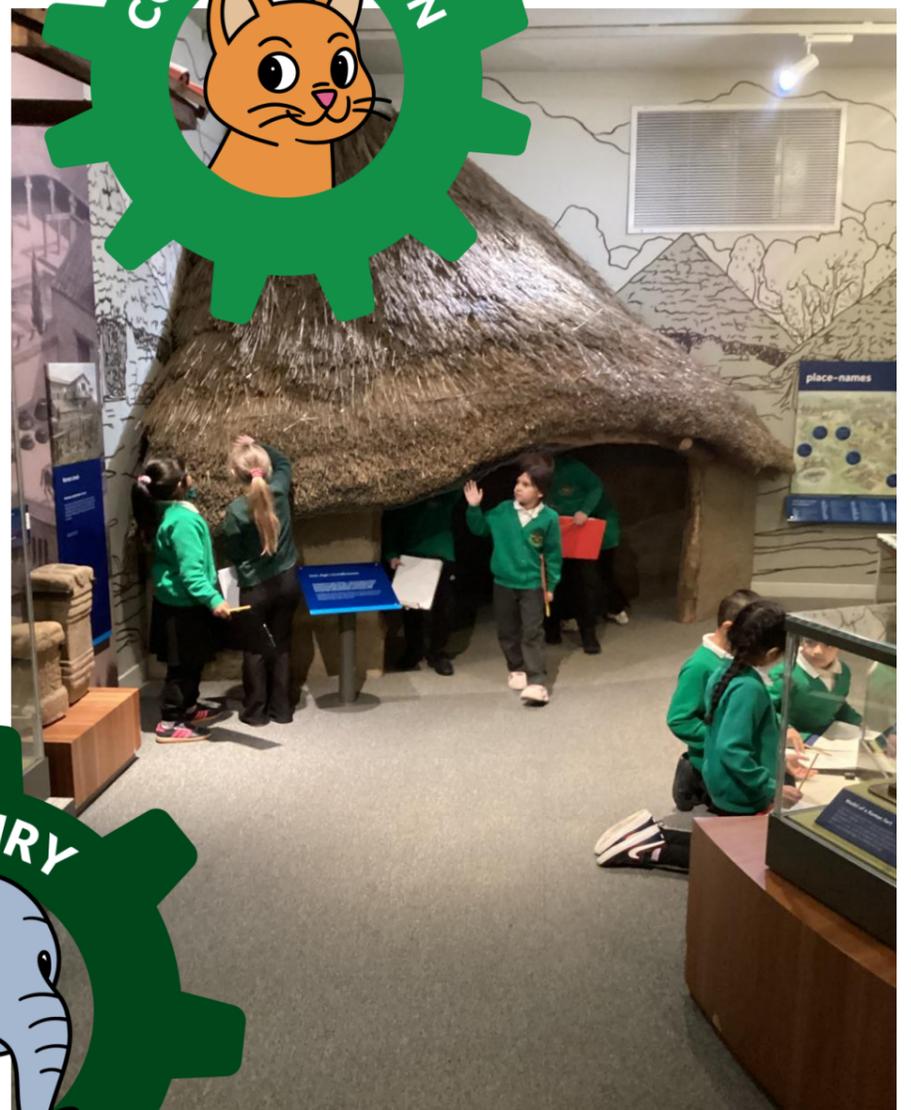

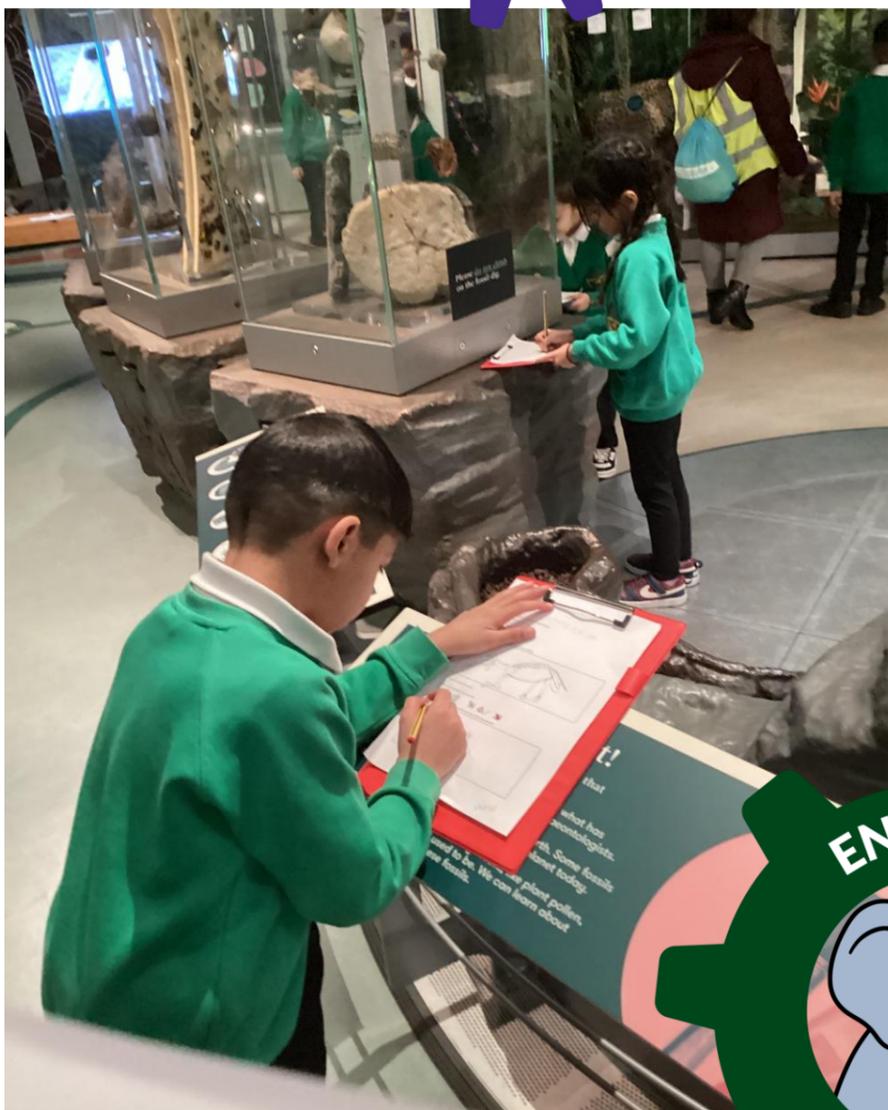

Our youngest learners returned to school so independently this week. We are very proud of how they have returned to school after the holidays.

A very warm welcome to our new Nursery pupils who have joined our Bankside school community this week! The adults in school are very pleased to see how quickly the children are settling into the Nursery routines and making new friends with their classmates.

# Green Base Visit to Leeds City Museum!

This week Green Base visited Leeds City Museum as part of their learning in their history topic on Ancient Egypt. They enjoyed exploring the museum galleries as well as their bespoke session with the specialist museum staff.

# Join us for Breakfast!

We are delighted to welcome parents and carers to our Spring Term information sessions! These will be an opportunity to meet key members of staff, learn how you can support your child at home and meet other parents and carers from your child's year group.
