Putting down strong roots for success

Headteacher's Award Winners – Our Learning Cog of Independence!

Well done to the children in Years 1, 2 and 3 this week who were chosen by their teacher to receive the award in our headteacher's assembly!

Next week we will see who the winners are in Years 4, 5 and 6!

Latest Learning!

This week we share some of the art work produced by our Year 6 pupils as part of their topic on activism. They have studied the work of artists Luba Lukova and Kate Deciccio and created their own pieces using techniques in typography.

Our Year 4 children have been exploring artistic story telling based on the book The Black Dog by Levi Pinfold. The children have experimented with charcoal and other artistic media to create atmosphere, tension and expression.

EYFS Latest Learning!

This week children in Nursery have been making the most of the rainy weather! They have been painting the puddles, collecting rain water and most importantly jumping, splashing and dancing in the puddles!

Friends of Bankside Wanted!

This year we are focusing on strengthening our links with local businesses and organisations that would like to support our school!

At Bankside Primary, our community is at the heart of everything we do. We are incredibly lucky to be surrounded by local businesses, organisations, and individuals who share our commitment to giving our children the best possible start in life.

We have developed a tab on our school website to share and promote the local businesses and organisations that have generously contributed to enhancing the school's provision or gifting valuable resources to the school.

Want to become a Friend of Bankside? We are always looking for community partners. Whether it's sponsoring a school event, volunteering your time, offering your expertise, or donating resources, we would love to hear from you!

Get in touch with us at fundraising@banksideprimary.org to find out how you can get involved!
